

## Are you a HCSW, a nurse, midwife or AHP?

### Do you want to find out more about how to:

- + develop your knowledge and skills?
- + have an effective discussion about your learning and development needs?
- + create a learning plan?
- + demonstrate you are working across the pillars of practice?

The NES NMAHP Development Framework provides guidance and tools to help you achieve this.

## Find out more at:

Framework
